Weather Reminders

- With each passing day, the weather continues to get colder. Unless it is raining or *severely* cold, we will be going out to the playground each morning. Send a jacket each day s, hats and gloves so your child will be comfortable while playing outside.
- Also remember to have an extra change of clothes in your child's bag each day. This clothing should include pants, shirt, socks and underwear and be appropriate for the cooler temperatures.

From the Director's Desk..

Dear Parents,

"Give thanks to the Lord, for He is good.." (Psalm 107:1) As we turn our attention this month to the many blessings we are thankful for, I wanted to make sure these few didn't go unacknowledged. For every Mystery Reader volunteer, our party planners and helpers and our substitute teachers... thank you! For all the snack and supply donations, Kids in the Kitchen helpers and P.O.P.S. parents... thank you! For our terrific teachers that put in countless hours above and beyond the school day, create thoughtful and fun lesson plans, and create a learning environment that is both nurturing and loving for our students... thank you! To Father Rob and Father Keith for providing weekly chapel, and the Preschool Board for their continuous support...thank you!

I hope your family has a wonderful Thanksgiving holiday!! Gobble, Gobble!

Blessings,,

Ms. Jill

Thursday, November 20

11:30a.m.

Burtenshaw Hall

Don't miss out on your lil' Pilgrims, Indians and Turkeys as we all dine together on a magnificent feast. The preschool will provide the turkey and drinks, and we ask that each family bring a dish to share with the school. Please see class assignments below. Each dish should feed 12 -15 people.

18—24 month class: salads and rolls

2's class: desserts

3's class: sides

IF YOU ARE AVAILABLE TO HELP WITH SET-UP, CLEAN UP, FOOD PREP, OR SERVING, PLEASE LET JILL KNOW. THANKS!

JUST FOR LAUGHS

One day a little girl was sitting and watching her mother do the dishes at the kitchen sink. She suddenly noticed that her mother had several strands of white hair sticking out in contrast on her brunette head.

She looked at her mother and asked inquisitively, "Why are some of your hairs white, mom?"

Her mother replied, "Well, every time that you do something wrong and make me cry or unhappy, one of my hairs turn white."

The little girl thought about this revelation for a while and then she said pensively, "Momma, then how come allof grandma's hairs are white?"

Important Parent Survey

We have begun planning for next year. Our program is continuing to grow, which will include the formation of a new Pre-Kindergarten, 4 year-old class. Attached you will find a brief survey detailing the structure, hours, days etc. of this new class. I am asking every parent to complete the survey so I can hear your ideas, suggestions and comments. This is YOUR school, and we want to meet YOUR needs. All surveys should be returned by 11/6.

All currently enrolled students will be given first priority in the registration process, which will begin in late January.
