**Exempt from State Licensing Status**

We are permitted to provide care for children for four hours a day as a church program designated as "exempt from state licensing requirements". We are unable to provide care before or after preschool hours to remain in compliance.

**Late Start 10:00 a.m.**

Preschool staff meetings are held monthly. We would have to dismiss at noon to hold these meetings after classes to have time for our teachers to leave in time to meet their children's school bus or to get in carpool line. By holding staff meetings first thing in the morning, we minimize the time the children are not in their classes.

**Special In-House Guests**

We are currently scheduling our in-house guests and will post dates for their visits as soon as they are confirmed.
